Mechanics' Pavillon, San Francisco Aug. 14.-James J. Jeffries, champior heavyweight of the world, played with James J. Corbett for nine rounds and a haif and then Corbett's seconds motioned to Referee Grancy to stop the fight in order to save their man from needles punishment. The end came shortly after the beginning of the tenth round, when Jeffries planted one of his terrific left swings on Corbett's stomach. The man who conquered John L. Sullivan dropped to the floor in agony, and the memorable scene at Carson City, when Bob Fitzsimmons landed his solar-plexus blow. was almost duplicated. This time, however. Corbett struggled to his feet and again faced his gigantic adversary. With hardly a moment's hesitation Jeffries swung his right and again landed on Corbett's stomach. Jim dropped to the floor, and then it was that Tommy Ryan, seeing that is was all over, metioned to Referee Grancy to stop the punishment. The fight tonight demonstrated beyond

CROWD WAS ENORMOUS.

Ten thousand people were scated about the arena in Mechanics' Pavillon at 9 o'clock tonight representing an expendi-ture for seating aggregating \$54,000. This is the largest crowd that ever assembled at a ring side in this country and the third largest sum in dollars and cents ever contested for. The two that exceeded in receipts were the Corbett-Jeffries fight at Coney Island, \$60,000, and the Corbett-McCoy fight at Madison Square Garden, N. Y., \$63,000.

The scene about the big pavilion from 5 p. m. until the men stepped into the ring was one of confusion. The gallery ticket-holders formed in line on Hayes, Larkin and Grove streets, in three large rows, and although there was a lot of crowding and scrimmages in the attempt to gain admittance, a hundred policemen kept perfect order once the The pavillon ticketholders were more leisurely about coming to claim their seats. Not until quite 9 o'clock were the chairs, boxes and beaches full.

About the ring were many celebrities that have graced every puglilistic encounter during the last decade. The features of Parson Davies were prominent along with the veteran referee George Siler, Sandy Griswold of Omaha, Harry Houghton, the fistic promoter of St. Louis, W. W. Naughton, an authority on boxing matters; Harry Thaw, the Pittsburg millionaire, and scores of lesser lights. The preliminary, the first a six round draw between Frank Smith of Los An geles and Jack Sheridan of San Rafael, and another of like length between Jack Evans and Jerry Fairbanks, kept the big crowd interested until the hour of 9:15, the time for the big men to enter on the acene, had arrived.

Corbett sent in left and right to the body but got left hook on the head. Jeffries came on quickly, but Corbett clinched Corbett sent in a peculiar right hand half uppercut, but was a trifle low. They fought stiffly to the end. Corbett has shown very little speed so far, while Jeffries showed improvement in speed and cleverness

Round 3.-Both came to the center, Jeffries missing a left and Corbett clinching. Jeffries hooked left to the head and Corbett jolted him over the ribs with short right. Corbett increased in speed somewhat and had to run to avoid a rush turned quickly and put right over the heart. There was a lot of clinching. Cynthiana, Ky., Aug. 14.-The jury in the case of Curtis Jett and Thomas White charged with the assassination of James B. Marcum at Jackson, Ky., returned a verdict of guilty today and fixed the punishment on each at life imprisonment. The verdict was returned at a time when there were but few persons in the court room. The only attorney was county attorney Webster, received th ehverdict with comparative indifference and calmness. White, who has been apparently under a strain during the trial, flushed up and his eyes filled with tears. Attorney Golden for the defense stated that a motion for a new trial would be made a scon as possible. The general opinion seems to be that the motion will be overruled by the court and that it will then go to the court of appeals. The verdict occasioned little surprise here after the deliberation of the jury had been so prolonged. The only question which prolonged. caused the delay, it is said, was that of punishment, death of life imprisonment. The verdict, on the whole, is regarded as a victory for the defense, as the prosecution asked that no middle ground be taken and that the men either go acquitted or be hanged.

The attorneys for the defense were absent when the jury came into court and Judge Osborne sent for them. The court asked them if they had anything to say after the verdict was read. Attorneys Bianton and Golden for the defense said they had not. The judge then said that he would adjourn court until 1:0 this afternoon. Then Golden objected as he desired to depart for his home at Barboursville. Judge Osborne told them to make their motion for a new trial. The motion was thereupon filed and the court took it under advisement. When it was ounced that the jury had come out. a crowd gathered at the court rooms
